# Panoramic cruise from the centre of Ljubljana to the Ljubljana Marsh

## PLEČNIK'S SELECTED WORKS IN LJUBLJANA ARE NOW PART OF THE UNESCO WORLD HERITAGE LIST

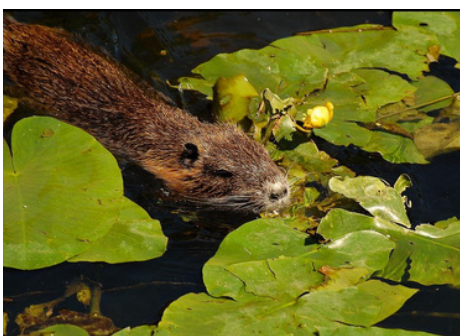

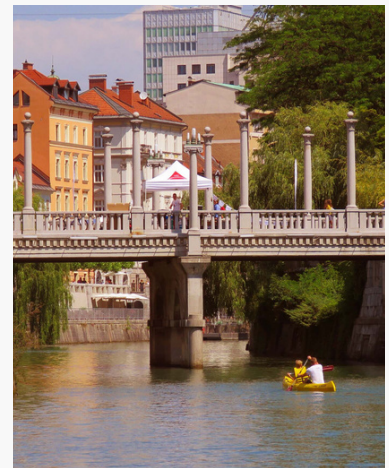

**CRUISE DOWN THE RIVER AND ADMIRE THE CITY'S WATER AXIS: THE EMBANKMENTS OF LJUBLJANICA WITH THE BRIDGES FROM THE TRNOVO EMBANKMENT TO THE SLUICE GATES**

- Boat cruise is a perfect idea of learning about the secret side of Ljubljana, the city history, architecture and local cuisine
- See the world famous bridges from the river perspective: Tromostovje (Tripple bridge), Shoemakers and Dragon bridge
- Sail under the "Bridge of Love" and soak up the romantic atmosphere as you cruise by the old chestnuts trees

## DISCOVER A UNIQUE WORLD LJUBLJANA MARSHES NATURE PARK

- The Ljubljana Marshes is a unique intertwinement of meadows, fields, hedges and channels, where the green surfaces meet with the sky and the River Ljubljana, which has helped create the marshes through history. Here you can block out the bustle of the city, meet with nature and focus on yourself and your thoughts.

**STUNNING VIEWS FROM THE OPEN DECK**

Plečnik's selected works in Ljubljana, are now part of the UNESCO World Heritage List of Cultural and Natural Heritage. With the enrollment, Plečnik's Ljubljana became important for all mankind and was granted outstanding universal value.

# PERFECT COMBINATION OF LEARNING ABOUT CITY HISTORY AND LOCAL CUISINE
